

## **CALL FOR PAPERS**

### **HISTORY OF EDUCATION SOCIETY, 2009 ANNUAL MEETING**

The History of Education Society will hold its 2009 Annual Meeting at the Doubletree Hotel Philadelphia, 237 South Broad Street, from Thursday, October 22 to Sunday, October 25, 2009.

The Program Committee invites proposals on all topics relevant to the history of education in any time period or nation. The Committee defines “education” broadly, to include all institutions of socialization—mass media, voluntary organizations, and so on—as well as schools and universities. Proposals may be submitted for an individual paper, a complete paper session, or a panel discussion. A proposal for an individual paper spells out the paper’s focus and rationale; if accepted, this paper and several others related to it will be combined into a paper session. A proposal for a complete paper session provides a prospectus for a coherent collection of three or four papers, including the names of the authors, a chair, and discussant. A panel discussion is a session in which a group of qualified panelists discusses an important issue in the field, where the panelists are not presenting papers.

Please submit proposals on or before **February 15, 2009**.

Your proposal should either be a two-page proposal, single-spaced, describing an individual paper, **OR** a three-four-page proposal describing a complete paper session or panel discussion (exclusive of references). The proposal should include the following four elements: the topic/theme/study, the findings, the significance and how the work relates to other scholarship in the field, and the sources. Please do not exceed the page limits.

To submit a proposal, go to our proposal submission website:
